

# illumina® genomics forum

## Let's Power Better Human Health

Illumina's premier global customer and influencer event to advance the positive impact of genomic health.

### EVENT SPECIFICS

DATE	September 28-October 1, 2022
LOCATION	The Manchester Grand Hyatt, San Diego, California
ATTENDANCE	1,500 invited attendees representing 115 countries Over 70 speakers and panelists
INDUSTRIES REPRESENTED	Translational research, biotech, general and specialty healthcare, pharma, regulators, payers, and patient advocacy.

### KEY THEMES

Precision health is now.	Shared accountability to common ground.
NGS is winning against cancer, genetic, and infectious diseases.	We're pushing innovation boundaries.
Genomics supports the quadruple aim.	Lasting, positive impact is inclusive.

### TENTATIVE AGENDA

WED 9.28

**Arrivals + Registration**

**Mainstage Welcome**  
This is the Genome Era

**Mainstage Panel:**  
Genohype Has Left the Building

**Spotlight Keynote**  
We Can Do Better

**Welcome Reception**

THURS 9.29

**Mainstage Session:**  
Innovation Roadmap

**Deep Dive Breakouts**  
· Oncology  
· Genetic Disease  
· Health Administration

**Followed by Ask the Expert Q&A Sessions**

FRI 9.30

**Mainstage Panel:**  
Architecting Health's Infrastructure

**Mainstage Fireside:**  
Innovative Partnerships

**Super Session Breakouts**  
· Data  
· Access & Inclusion  
· Policy

**Followed by combined topic Q&A Sessions**

**Mainstage Spotlight:**  
"What If"

SAT 10.01

**Mainstage Presentations**

**Small Group Breakout Collab Sessions**

Networking, pop-up, and immersive experiences each day.

### About Illumina

As the world's leading developer, manufacturer, and partner of life science tools and integrated systems genetic sequencing and evaluation our technology powers researchers, clinicians, and labs across the globe. Our mission is to improve human health by unlocking the power of the genome.
